

City Champs – December 9, 2016

City Champs is a meet between all four Richardson ISD high schools. JJ Pearce was again victorious! The Mustangs competed in the 31st annual City Champs meet. Over the past 31 years Berkner has won 14 times, Pearce had won 13 times, Richardson 3 times, and Lake Highlands has yet to win the meet. The Mustangs won decisively to pull even with Berkner at 14 a piece. The relays were extremely exciting, on several occasion the Mustangs got first and second in some very close finishes. Both the Boys and Girls teams posted many best times and swam with heart. It was great to have such a large JJ Pearce crowd, lots of family, friends and even some teachers. It was the first time according to the kids that their teachers have come to watch them swim, please thank Mr. Starnes, Mr. Sibley, and Ms. Pinto for their attendance if you see them. Great job! GO MUSTANGS!

Swimmers of the Meet

Somer D'Artra

Cole Mollard
