

Frisco Wakeland/Heritage - October 27, 2016

The Mustangs looked good last night! The Boys beat the reigning 5A state champion 142-96. The girls came up short against Wakeland but swam well again and won several races. The girls continue to swim shorthanded but keep the meets close. We didn't have any relays DQ's last night....I'm very pleased with that result. Swimmers of the Meet; Girls-Reese Delfeld...3 season best times and 2 of those were faster than her regionals times. Hayden Steed...he was in a walking boot but swam anyway. I love the toughness and leadership he showed the team. He truly is a no excuses type of athlete. He also swam several season best and 1 lifetime best.
