

Highland Park - October 20, 2016

Great Meet for the Mustangs!

The Mustang men got the win over Highland Park! It was a back and forth meet but the boys came through with a narrow one point victory. It was a total team effort that came down to B and C relays. The Scots won all the relays while the Mustangs B and C relay came through with good points. The Mustangs dominated the individual events. Jack Delfeld and Hayden Steed posted some very fast times. The Broad brothers took first and second in the 100 free. The Mustangs got some surprising swims from Cole Dillow, Race Wells and Kyle Skaggs.

The Lady Mustangs lost by 2 points. The ladies were missing a few key swimmers but they hung close with the Scots. They battled all night and won all three relays. A surprising DQ call on the 50 free gave the Scots an extra 3 points that changed the outcome. The ladies fought hard and got contributions from several swimmers who were swimming in their first meet ever! Katie Hoang and Reese Delfeld had strong performances, Ashley Remschel posted a great time in the 500 free, and Shae Levine had a great first meet.
