

## JV District – January 19, 2017

The Junior Varsity Mustangs competed against the rest of District 8-6A for the JV title. The Mustangs brought a small team but were able to compete with the teams that were more than twice the size. The Mustangs ended the meet placing 3<sup>rd</sup> behind Coppell and Richardson. Coach Ewing was extremely proud of how the team developed and grew this year. Coach looks forward to some of the swimmers making the jump to Varsity next season.
