

Ranger Relays - October 1, 2016

Nine Top 8 Finishes and a Win in the Consolation Shootout Highlight the Ranger Relays

The JJ Pearce Mustangs recently competed at the Ranger Relays. The meet was highlighted by a victory in the Consolation Shootout. The team of Jack Delfeld, Caitlin Dolt, Bennett Broad, Reese Delfeld, Hayden Steed, Annie Heller and Bennett Maczka had a dominate performance in the shootout relay.

The team showed great improvement by placing higher in 14 of the 17 races compared to the previous year. Several swimmers posted season or lifetime bests. The boys ended up 7th and the girls finished 12th. The team did have 2 DQ's, both of which were in the top 8, which pushed the Mustangs down in the standings. Coach Ewing was pleased with the effort and energy the team showed as well as the seven top 6 finishes.
