

## Highland Park - October 10, 2017

Another new experience for our team. We have swam a Relay meet, an invitational style meet, and now for our first dual. So far we have swam against the 6A state champion, several state quality teams, and now the 5A state champion. Tough schedule for sure. Last year the boys team got its first ever victory over the HP Scots, this year the girls team would not be outdone! The Lady Mustangs beat HP to get their first ever victory against the rival Scots. The most exciting part of the meet was the introduction of the Dive Team! This was Cierrah DeWoody's first ever diving competition in her life. Not only did she win, the points she won gave the Lady Mustangs a 2 point victory over Highland Park. Big win for Diving, big win for the girls. The Girls are now 8-0. The boys fell short against HP but had lots of best times and good swims. They sit at 6-2.

Kalima and Caitlin also put in great nights for the Mustangs.

### Swimmers of the Meet

**Cierrah DeWoody**

**Bennett Maczka**
