

Tyler Meet - October 7, 2017

Tyler Lee/Texarkana/Lufkin/Longview/Hallsville/Mt. Pleasant

The team got up early and took a long bus ride to Tyler, Texas. We made an extremely important stop at Bucee's along the way. This was a very unusual meet for the Mustangs. These are teams we don't normally swim against, it's an outdoor pool, and we were short 24 swimmers from our team. We had 22 kids swimming in their first meet. The Girls dominated the meet and got 1st out of 7 teams. The boys were extremely short handed and managed to pull out a second place while missing several of the fastest boys on the team. It was a great opportunity to see the younger swimmers step up and contribute to the success. Overall we had lots of fun, swam hard, lots of best times, a few sun burns, and lots of team spirit.
