

Texarkana – January 6, 2018

Another successful meet for the Mustangs! The girls polished off an undefeated season with a dominating win and the Boys won the meet on the very last race. It was good for our boys to beat Texarkana, they had beaten our boys at the Tyler Lee meet and they beat our boys at TISCA.....we got'em this time! Texarkana sent 22 swimmers to state last season and will send even more this year. This was a good win.
