

Region – February 1-2, 2019

The Mustangs started the Meet by breaking a 26 year old school record in the Girls 200 Medley Relay going 1:50.92 with Cali Castro, Katie Hoang, Kalima Murugan and Reese Delfeld. The Mustangs battled Prosper, Allen, Plano West, Plano, Marcus, Hebron, Coppell, Jesuit, McKinney and Plano East for a top 5 spot out of 40+ teams in the Dallas Area. We had a lot of great swims, Cali Castro and Bennett Broad both finished day 1 as the top seed going into day 2. Castro broke a school record in the backstroke and qualified for state, Broad finished the meet qualifying for 2 spots at state. Overall the team swam well. We had lots of younger swimmers that were able to put points on the board. By the end of the meet Pearce had achieved its goal of a top 5 spot.
